

**Point Richmond Neighborhood Council
Presents
City Council Candidates' Night**

Election time is here again! Everyday our mailboxes are stuffed with leaflets trying to influence our votes. It can be difficult to evaluate the candidates based on these leaflets. I urge everyone to consider the source of each mailer when evaluating its message.

The PRNC is hosting a **City Council Candidates' Night** on **Thursday, September 25 at 7 p.m.** This event, which will be held at the **Richmond Yacht Club**, 351 Brickyard Cove Road, will provide an opportunity for the candidates to speak for themselves. They will be able to tell us their vision of Richmond's future, and how they think we can best move ahead. We will be asking for their views on issues of particular interest to Point Richmond.

Please note that the Candidates' Night will be in place of the regularly scheduled September PRNC general membership meeting.

An Update on Shea-Bottoms Property

The City has circulated a new EIR, which offers a number of alternatives to consider for this project. This re-circulated EIR (REIR) can be found at <http://www.ci.richmond.ca.us/index.aspx?NID=2779>. Interested parties in Seacliff suggest that Chapter 7 provides information about these alternatives. Public comments on the REIR will be taken until September 25. We expect that a Final EIR will be heard by the Planning Commission in November or December. We will keep you updated.

**We hope to see you at the
Point Richmond Neighborhood Council
City Council Candidates Night!**
